discuring the state of the stat				
You can describe:				
• The step you were working on. What				
you did, when you did it (including how				
long it took),				
 Your expected SUDS ratings - how 				
nervous you <i>expected</i> to be.				
 Your actual SUDS ratings - how 				
nervous you actually were.				
• Whether you completed the situation				
- if you were able to stay in the				
situation for the time you specified for that step, and what tools you used.				
 If you experienced a great deal of difficulty. Note down why you think 				
this might have been the case, and how				
you might prepare yourself to go into				
the situation the next time.
